## **State Approved CTE Program:**

51.0000 Therapeutic Services (Health Science)

| Post-Secondary Program:    | Prgm. Degree: | Post CIP Code: |
|----------------------------|---------------|----------------|
| School/College/University: | Notes:        |                |

A well thought out Program of Study is merely a way for parents, students, and counselors to map out career/college readiness after high school for ultimate career success. All secondary coursework should meet graduation requirements; align with academic skills and interests, which may be pursued at the post-secondary level resulting in a certificate, apprenticeship, associate (2yr) degree or bachelor's (4yr) degree.

|        | Grade | English | Math | Science | Social Studies | Other Required or Related<br>Courses / Electives | CTE Program Courses   |
|--------|-------|---------|------|---------|----------------|--|-----------------------|
| ONDARY | 9     |         |      |         |                |  |                       |
|        | 10    |         |      |         |                |  |                       |
|        | 4.4   |         |      |         |                |  | Articulated Credit(s) |
| SE     | 11    |         |      |         |                |  |                       |
|        | 12    |         |      |         |                |  |                       |

## **Post-Secondary Courses**
